

# What will “Remind” be used for?

- **Class specific announcements (tests, quizzes, and other major projects)**
- **Late starts and other school scheduling announcements**
- **School spirit events (dress up days)**
- **8<sup>th</sup> graders only: High school selection information (around February)**
- **7<sup>th</sup> graders only: Information about signing up for classes next year (around February)**

**It is not mandatory for your student to sign up for “Remind,” but I believe they would benefit from doing so.**

**Parents are welcome to sign up as well, but the announcements will be primarily for the students.**
